AC553 RGL1 SINGLE WEB LANYARD WITH K11 SHOCK ABSORBER

CONFORMITIES/STANDARDS

EN 355:2002

DESCRIPTION

• RGL1 SINGLE WEB LANYARD WITH K11 SHOCK ABSORBER Single leg fall arrest safety lanyard is to be used by an operative who is working from a static position when connected to a fixed anchor point. It comes equipped with a shock absorbing pack, so that in the event of a fall the forces on the user's body are reduced.
