AC562 500 CYCLING SMARTPHONE HOLDER

DESCRIPTION

• 500 CYCLING SMARTPHONE HOLDER This holder gives you an easy, reliable way to store your smartphone on the stem of your bike. This bike smartphone holder is easily mounted onto the handlebar stem using its secure rip-tab fastener. Foam on the back to protect from impacts. The supple pocket fits the size of the phone. * PLEASE NOTE: This is just a smartphone holder, no phone is included - phone within the image is for display purposes only.
