WC012 EXECUTIVE VEST SY

DESCRIPTION

• Sonis® C Helmet Mounted Ear Defenders 31dB SNR The Sonis® range has been stylishly designed with a traffic light colour code for easy identification. Materials have been chosen for both performance and comfort for extended periods of use. Features & Benefits Performance - Designed by the JSP R&D team and developed with a leading UK acoustic engineering research facility, the sonis® range of helmet mounted ear defenders peaks at an unbeaten 36 SNR. Comfort - The force the helmet adaptor applies and the cushion surface area work together to provide optimum cushion pressure and comfort. Customisation - Sonis® cups can be coloured to meet a corporate identity. They can also be printed with a company logo for improved brand recognition and to discourage theft. MOQ's apply. Adjustable Steel Arms - The wearer can tilt and adjust the position of the cup for optimum comfort and fit, also offering even distribution of pressure. Hygienic - The sealing rings are easy to replace. Hygiene kits are available for each model.
