FW051 LINCOLN WATERPROOF METATARSAL BOOT

DESCRIPTION

• Description: The Lincoln boot features Poron® XRD™ metatarsal technology that absorbs impact from falling objects and a waterproof leather upper that keeps feet dry even when submerged in water. It has both toe cap and midsole protection made from lightweight, metal free composite material, plus a heavy duty bump cap for added durability. The ultra hardwearing PU/rubber, HRO rated, anti-slip sole is heat resistant up to 300°C making it ideal for demanding environments, and Blackrock's padded EaziStep insole ensures maximum comfort. Key features:
• Poron® XRD™ technology for metatarsal protection
• Waterproof leather upper
• Lightweight metal-free toe cap and midsole
• Heavy duty bump cap for added durability
• 300°C heat resistant, anti-slip, anti-static and fuel oil resistant PU/rubber sole
• EaziStep padded and breathable insole for comfort
• Energy absorbing heel reduces foot fatigue
