FW107 V1231 RAWHIDE SBP DEALER BOOT

CONFORMITIES/STANDARDS

EN ISO 20345:2011 SBP E HRO SRA

DESCRIPTION

• V1231 RAWHIDE SBP DEALER BOOT
• Crafted from rugged oil stuffed hide, creating a strong elastic-sided work boot.
• Oiled crazy horse leather upper - durable, water resistant and breathable.
• Reinforced leather pull on tabs.
• Dual layer elastic and triple stitched seams.
• Fully bound top band
• Moisture wicking, highly breathable lining
• Wide fitting corrosion resistant steel. Tested to impact of 200 Joules
• Flexible woven composite material, pierce resistant to 1100N
• Goodyear welted anti-static nitrile rubber sole. Heat resistant to approximately 300°C.
• Abrasion and slip resistant to latest European standards.
• Powerflex™ sole - excellent flexibility with anti-fatigue properties.
• Oil, acid, alkali and hydrocarbon resistant.
