AC203 KNEE PAD

DESCRIPTION

• Lightweight and durable knee pads designed for professionals who require reliable knee protection during frequent kneeling tasks. Crafted from high-performance foam, these ergonomic knee pads deliver superior comfort, flexibility, and pressure distribution for all-day wear. Certified to EN 14404 Type 2 Level 1 standards, they provide dependable protection against workplace debris while ensuring a secure, non-slip fit. Ideal for construction, maintenance, flooring, and trade environments where safety, comfort, and productivity are essential.
