EP114 UVEX CLEANING STATION 9990-000

DESCRIPTION

• UVEX CLEANING STATION 9990-000
• This lens cleaning station can be wall mounted in convenient communal areas.
• Comes complete with mounting screws and double-sided stickers for wall mounting
• It contains a lens cleaning solution and tissues to allow workers to clean their eyewear whenever required.
• Includes cleaning fluid (16fl oz bottle), cleaning tissues (450 sheets per box) and mirror to help with correct fitting of eyewear
• Lens cleaning tissues are non-abrasive and absorbent, making them ideal for cleaning safety eyewear
• Lens cleaning spray solution is gentle enough not to reduce the effectiveness of the anti-fog and scratch-resistant lens coatings but strong enough to cut through dirt and oil
• Dimensions - width: 480 mm, height: 340 mm, depth: 165 mm
