HT073 SUREFIT THERMAL HELMET LINER

DESCRIPTION

• Surefit™ Thermal Helmet Liner Safety Helmets. It prevents workers from wearing incompatible and dangerous alternatives such as hoodies underneath their helmets. It provides all day comfort and warmth. Thermal insulation: The SureFit™ Thermal Helmet Liner provides the wearer with warmth and protection from cold environments. The deep edges are designed to cover the entire ear. Fully compatible: The SureFit™ Thermal Helmet Liner is compatible with all JSP safety helmets. The stretchy material provides a nice tight fit for minimal interference and maximum comfort and warmth. Convenient & Hygienic: The SureFit™ Thermal Helmet Liner is lightweight for all day comfort and is also machine washable at 30°C for hygiene purposes. Sizes available: Med/Large Available colour: Black
